Warranty and Liability Limitations

All analyses reported by Biogenetic Services, Inc. are based on a representative sample provided by our customers. Therefore, the results provided are representative only of the sample analyzed at a particular point in time. Biogenetic Services, Inc. makes no warranties, expressed or implied including warranty of ability to market a commodity or product based on analytical results provided by BGS. Liability for damage for any cause, including breach of contract or agreement (including estimated turnaround time), breach of warranty and negligence with respect to a test result is limited to a refund of the price of testing the sample. This remedy is exclusive and in no event shall BGS or any of its employees be held liable for any incidental or consequential damages including loss of sale or profits by our customers or their clients.
